SEC PIR

PIR MOTION SENSOR

FEATURES

- Dual element pyro electric sensor
- Digital signal processing (DSP)
- Detection range up to 12m
- Detection angle up to 110°
- Sealed optics
- Excellent RFI and EMI immunity
- Walk test LED
- ABS housing
- Inbuilt battery
- Inbuilt tamper switch
- Selectable zone number jumpers
- Selectable address jumpers
- Sensitivity and pulse count adjustable jumpers

TECHNICAL SPECIFICATIONS

BATTERY INFORMATION:

Type: 1.5V AA alkaline battery

No. of batteries: 6
